Little Dragons

Newsletter June 2020

We would like to welcome Freddie and his family to Little Dragons and hope he has lots of fun with us.

We've enjoyed talking to you and seeing what you have been up to at home. So many of you have had fun walking, playing in the garden, baking, doing yoga and art work. If you are staying at home please continue to share these activities with us and we will stay in touch via phone, email, our website and Facebook page- Friends of Little Dragons Pre-school.

If you are returning to Little Dragons we are looking forward to seeing you and hearing all your news. It will be exciting to explore all our toys again and we will also be singing, playing outside, role playing and doing lots of craft activities, plus lots more. We will introduce a theme once the children are back and settled and we have an awareness of their interests. We will inform you of this through our Facebook page and website.

We will be outside lots so please provide sun hats and apply sun cream daily. You can put their suncream in their bag if they stay all day.

Please also bring your child's normal bag with a full change of clothes, and a pair of indoor shoes.

Thank you! We would like to say a big thank you to everyone who supported our bag2school fundraising event last week. We raised £160 for our Pre-school! We will let you know what we intend to use this money for soon.

Please can we ask that if you feel you need to let us know anything about your child before you drop them off that you either send us an email- before 8.30am or call the Pre-school phone before 9am. This may be that they have had a bad night's sleep or had a fall which has left a bruise/mark you feel we should know about etc. Equally if we feel you need to know anything at the end of the day we will either email or call you at the end of the day.

These new procedures will help us all socially distance at the beginning and end of each day.

Obviously if it is more important than this we can do our best to talk to you.
